Congratulations to Tiny Tots Nursery

**T**INY TOTS nursery in Prestatyn is celebrating 40 successful years of providing quality care to children and babies of all ages.

Owner and manager, Tina Jones opened Tiny Tots in October 1972, and has watched the nursery grow from strength to strength. The nursery once used to operate on one level but after a major expansion programme in 1995, the nursery now operates on two levels, enabling the

nursery to provide services which including a superb self-contained baby unit, along with toddler areas on the upper level and pre-school play areas on the lower level, this ensures Tiny Tots can provide a greater variety of activities, along with a wealth of opportunities and experiences.

The nursery is registered under the Children's Act 1989 with the Care and Social Services Inspectorate Wales (CSSIW) to take young babies and children up until statutory school age on a full or part time basis.

Tiny Tots has an Out of School unit within the grounds, providing a high standard of care to children from a variety of local schools.

The aim of the nursery is to provide a happy, safe and caring environment for young children to develop, helping them to progress confidently towards entering mainstream school.

A vast majority of its qualified and experienced team have been employed by Tiny Tots for a great many years, they are motivated to ensure all children benefit while developing their social skills, learning

through the medium of play.

Tiny Tots is also registered with Estyn to provide LEA funded early years education (Foundation Phase) as well as care to the children attending the nursery school.

The nursery is an active member of the National Day Nurseries Association (NDNA), with Tina being a Trustee for the past 12 years and has completed NDNA's accreditation scheme E-QC. Tiny Tots has also been awarded Investors in People since December 2000.

Tiny Tots has extensive outdoor play areas that are fully equipped and suitable for all age group, also including an outdoor classroom, fully resourced to cover all areas of the Foundation Phase that can be use in all weathers throughout the year.

Foundation Phase entitles all children in Wales to receive 2 hours free education the term

after their third birthday and runs from January to July. The group known as Blue Group is run by Vickie, Sirena and Sam and also involved is a peripatetic teacher from Denbighshire LEA, who visits Tiny Tots on a regular basis to share her early years skills and knowledge, because of this funding, Tiny Tots is inspected by Estyn in the same manner as schools

Tiny Tots opens at 7am and closes at 6pm, the main day starts at 8.30am and ends at 5.30pm, care required out of these hours is accommodated by prior arrangement. Tiny Tots also offer play sessions during term time from 9-11am to all children who are rising three.

All meals and snacks are freshly prepared by our cooks who have gained five stars with the Food Standards Agency on each inspection.

# You can rely on us – we're here when you need us

TINY Tots offers an access to information policy where parents are invited to look at policies and procedures and participate with suggestions for improvements to provide the best possible care for their children.

Tiny Tots high standards are maintained with regular quality reviews to maintain best practice and earn excellent CSSIW

inspection reports.

All staff are encouraged to attend training courses to continually develop skills which help implement new ideas within the setting. All members of staff are first aid trained, CRB checked and have attended Child Protection training and hold British food hygiene certificates. All staff in senior positions are fully qualified to a level 3 or above.

The nursery has celebrated the

40-year milestone with a fantastic team building event at Centre Parcs and on the day of the anniversary all members of staff planned a day full of surprises for Tina and the children wore ruby red clothing.

Tina would like to thank all parents past and present for their continual support and her fantastic team of nursery nurses for being 'Simply the Best'
