We're proud to share that 100% of our team are Paediatric First Aid trained- ensuring the highest standard of safety and care for every child. At Tiny Tots, your child's safety and wellbeing are always our top priority, and we're committed to maintaining the highest standards of care every single day.

On the 9th of October, we celebrated a very special milestone- 53 years since Tiny Tots first opened its doors- and what an amazing journey it has been so far!

Founded by Tina at just 17 years old, her passion and dedication to giving children the best start in life has never wavered. Over five decades later, she's still at the heart of it all- doing the longest hours and pouring love into every corner of the nursery.

To every staff member, family, and little one who's been part of the journey- thank you. YOU are what makes Tiny Tots so special. Here's to the memories we've made and the many more still to come!

Our recent Care Inspectorate Wales (CIW) inspection has rated us as:

- ★ Excellent for Well-being
- ★ Excellent for Environment
- ★ Good for Care and Development
- ★ Good for Leadership and Management

The report was overflowing with praise, describing our nursery as-
"Warm and welcoming"

"Filled with happy, curious, and confident learners"

"A place where children feel safe, valued, and proud of their setting"

"Staff who are warm, nurturing and fantastic role models"

We could not be prouder of our incredible team, our wonderful children, and families, and our beautiful environment. No areas for improvement were identified during the inspection- just lots of lovely comments about how happy, busy and independent our children are every single day.

A copy of the inspection report has been sent via Blossom to all families, if you would like a copy emailing, please let us know.

We are so excited to introduce our magical Forest School activities to our preschool children! We are very lucky to have such a beautiful large outdoor space- and an experienced, passionate, Forest School leader like Kira to guide our adventures safely.

Forest School is all about hands on learning, creativity and connection with nature. We're excited to share this journey with Preschool, and can't wait to see our little ones discovering the joys of outdoor cooking and Forest School themed activities!

We started this week, with toasting marshmallows and making s'mores around a cozy campfire.

Next April, our team member Nicky is taking on the incredible challenge of running the London Marathon in loving memory of her mum, Karen. She's dedicating this run to celebrate her mum's strength, love and courage-and to make a real difference by raising money for Marie-Curie, the charity that supported her mum in her last months.

If you'd like to show your support and help Nicky reach her fundraising goal, please consider donating through the QR code link. Every contribution, big or small, will help make a lasting impact- Thank you.

We have been having a great time exploring our community, from local walks to visiting Mynydd Mostyn Milk Farm, we are strengthening our community links and discovering hidden gems in our local area!

Our beautiful poppy pictures are now on display in Tesco, Prestatyn. It's amazing to see our work in the community and to be part of such a meaningful project for Remembrance Day. This project helps us with our target of building strong links with our local community.

Reminders

- Please ensure fees are paid promptly before 2pm on a Wednesday of each week, as our system now automatically adds a 10% charge on to all accounts in arrears after this time. Thank you to all families that pay regularly and on time, it saves us a lot of time chasing fees in and is much appreciated.
- Now the weather is starting to turn, please could you provide clearly labelled wellington boots for your child to use.
- Please label all your child's belongings, including coats, jackets, shoes, and dummies. This will help keep all children's items safe and make it easier to identify, unfortunately, if items are not labelled, we will not be held responsible.
- When using our driveway, please do so slowly. We have children, staff and families walking on the drive regularly and speeding puts those using the area at risk.

Dates for your Diary

October 31st Halloween- If your child is attending this day, they are welcome to arrive in Halloween fancy dress costumes (as always don't feel pressured to buy specific outfits, we will be having lots of fun regardless).

Christmas shut down- We close on Tuesday the 23rd of December 2025 at 6pm and return on Monday the 5th of January 2026 at 7.00am.

Please refer to our terms and conditions regarding payments and bank holidays over our closed period.

It is important that fees are please paid by 2pm on the 24th of December and 2pm on the 31st of January 2026. Please can we remind anyone using tax free childcare or childcare vouchers, that these need to be sent in advance, so payments are cleared by the above deadlines, thank you in advance.

Thank you for your continued support,
Best Wishes, Tiny Tots Team x
